Subject: 9/1/10 Requests

Net Capital:

Attached, please find two attachments that require reconciliation:

1. Shows the differences found when tracing between the balance sheet provided in FXCM's 6/30/10 1-FR Filing and the 6/30/10 Internal Balance Sheet provided previously during our field work. The rows that show the accounts in question that require reconciliation are highlighted in yellow.
2. Shows the differences found when tracing between the 6/30/10 Internal Balance Sheet provided previously during our field work and the firm's General Ledger as of 6/30/10, also provided previously during our field work. The accounts that did not trace and agree have the balance per the G/L in column C, the \$ Difference in column D, and the % difference in column E. These differences need to be reconciled as well.

Cash:

Please confirm that the following account is a collateral account and provide the 6/30/10 bank statement:
Citibank Account # 3600339

Thanks,

Crystal Singh
